**EVENT  
OF THE  
YEAR**

Throughout the 019-2020 academic school year, the Brookhaven Student Government Association executive board had many goals, mainly in representing the student body.

The Spring 2020 semester began with one of our most collaborative events of the year--

**Power to the Polls**

In order to promote our event, we began by filming a video and uploading it to our social media.

We served beverages, chips, cookies, cupcakes, hamburgers, hotdogs and pizza.

Along with the food, there was live music in the performance hall.

In addition to our event, there was a Black History Month celebration.

There was a photo booth as well where students had the opportunity to have fun and show their support for this event and the importance of voting!

Early voting for the primaries

The Spring 2020 marked an important period in the United States with the upcoming primary elections. During the span of ten days prior to March 3rd, we wanted to bring awareness to the importance of early voting.

**OUR FUTURE OUR VOICE**  
**Power to The Polls**

Presented By:

Brookhaven Student Government Association, Debate Club, Move Texas,  
League of Women Voters, and Student Veterans Association

**CHANGE STARTS HERE IN OUR COMMUNITIES.  
JOIN YOUR FELLOW STUDENTS IN ENGAGING AND  
PROMOTING OUR DEMOCRACY**

This event will provide resources and information needed in order to vote, escorts to the W-building for those who want to vote, food and so much more!

**FEBRUARY 26, 2020 | 11 A.M.- 1 P.M.  
COMMONS COURTYARD**

The event took place on February 26 at 11:00 am at the Brookhaven college campus in the commons courtyard.

We encouraged many students, who were eligible, to vote early, as well as help countless young adults register to vote.

The Student Government Association, along with the Debate club, Move Texas, League of Women Voters, and Student Veterans Association, came together to remind the students of their civic duties.

The importance of voting, especially in young adults is crucial as making their voice heard impacts the future. With this in mind, we, as the executive board, had the desire to make a change.

All in all, this event encouraged many students to perform their civic duty as a United States citizen.

The end result was exceptionally good, as many registered to vote and others went out and voted.

Brookhaven College made sure that the voices of the students were heard. Student Government

Association understands that through determination and leadership we can make a change in our

community and have a clear vision for the future.
