Awards Committee Guidelines and Responsibilities

The Awards Committee shall be composed of up to two (2) members from each Region II college. Each SGA College President may ask for volunteers from their respective schools to sit on the Awards Committee or may select appointments as needed. Advisor and Student of the Year nominees may not serve on the Awards Committee.

Members of the Awards Committee are charged with examining each submission assigned to them. These submissions represent countless hours of work and thought. The consideration of these entries is of high importance. The first order of business will be the committee's selection of secretary. This shall take place at the Committee Orientation Meeting at TJCSGA Region II Fall Conference. The executive board shall appoint up to one (1) advisor and Executive Board Member to serve as ex-officio members of the committee.

It is the committee member's responsibility to thoughtfully consider the merits of each submission and not to rush through them. **It is mandatory that notes be made on each score card to justify his or her score of the submission.** Also, remember that each submission has been completed to the best of the ability of the member colleges with only those resources available to them. If disqualifications occur after the submission process, it is the responsibility of the committee to come to a consensus in these cases and to provide justification for disqualification on the scorecards for the submission.

The committee shall be divided into up to two (2) groups with equal number of school representatives. Each group will grade three awards that are going to be randomly distributed.

Once scores are submitted, both the highest and lowest scores of each submission will be dropped before tabulations. All scorecards must include committees supporting point values.

The members of the TJCSGA Region II Executive Board are extremely grateful to the Awards Committee members for serving in this committee.

Competition Requirements and Judging Criteria

The purpose of these competitions is to allow the opportunity for students to reflect on the role of their SGA within their school and community, with an eye toward preparing future SGA members to continue their work. Successful entries will demonstrate the importance of the interaction of various student groups of their college towards common goals.

Each submission must be made to the TJCSGA Region II Vice-President via email at jay22george@gmail.com. Each submission must be made a week before the conference: Deadline: February 21st, 2018 at 11:59 p.m. The name of the college and the type of entry shall be indicated on the cover sheet for each item and a completed Nominations Submission form, if required, will be submitted with each entry. Students must create all competition entries. No professional work will be permitted. All entries should be submitted and in a legible text. It is imperative that all submissions fall within the guidelines of each category, as failure to do so will result in disqualification for that entry. TJCSGA Judicial Policy must not be violated while at convention.

Each member of the Awards Committee shall be provided with a packet of scorecards to rate each entry. If the committee requires more, the committee chair may request these from the TJCSGA Region II Vice-President. The committee will judge each entry solely on the merits prescribed in these guidelines. **Deviation from these standards is not allowed and may result in disqualification.** After scores are submitted both highest and lowest score of each submitted will be dropped.

The following awards will be presented for each category:

1st place- Certificate

2nd place- Certificate

3rd place- Certificate
